As personally instructed I submit a draft order appointing a small committee to advise the Food Controller about the regulation of Railway traffic &c.

2. Mr Chaudy has been consulted informally about the constitution of the Committee.

3. He suggested the inclusion of Mr Tasker - Collector of Madura - but I do not think that will be desirable.

We have no doubt to work in close collaboration with the Local Govt. authorities but I do not think it will be right to ask the Collector to be a member of the committee.

4 The Resr has been addressed as proposed to the desirability of interchange of ideas between Mr Chaudy & the Coimbr authorities - the file is before the Dewan -
